Free Long Beach Transit Bus Service on New Year's Eve Supports A Safe New Year

LONG BEACH, CALIF. (December 18, 2019) – Long Beach Transit will offer free rides starting at 5 p.m. on New Year's Eve to all customers. In addition, LBT will offer late night service on select routes with some routes leaving the Transit Gallery on First St. between Long Beach Blvd. and Pine Avenue as late as 2:45 a.m. on New Year's Day.

This LBT tradition encourages the community to make responsible plans and take public transit to and from festivities to avoid drinking and driving.

"As I said to my team, please don't drink and drive, but if you do drink, ride the bus!" said Kenneth A. McDonald, Long Beach Transit's President and CEO. "Let LBT safely take you into the New Year to get you where you want to go."

LBT has been offering the popular free service on New Year's Eve for many years and it is a great way to ring in 2020 and make a resolution to ride the bus. The complete list of routes and schedules is available on LBT's website www.ridelbt.com/newyear. Customers can also call 562.591.2301 or visit www.ridelbt.com for route planning assistance.

"I am looking forward to an exciting 2020 and from the LBT family to yours, have a safe and prosperous New Year," said McDonald.
